

Problem

Equipment becomes sticky and stained with sweat, soiled from dirt dragged in on shoes, and slick from body oils – it's just not appealing for the next person to use.

Solution

Athletix™ Equipment Cleaner Wipes

- Presaturated wipes specially designed to clean dirt, sweat and body oils from all surfaces of your health club equipment.
- Tested by leading equipment manufacturers and proven to be safe for vinyls, leathers, chrome, foam grips, rubber, painted surfaces, metal, and electronic displays.
- Neutralize odours that build up on soft surfaces, and, lay down a protective barrier against odour penetration.
- Variety of dispensing options for wall, floor and equipment mounting.
